

DISTRICT MEETING

9-25-13

The meeting was opened at 1903 by Chief Dennis Pings.
The minutes of the previous meeting were read and approved.

OLD BUSINESS

The Lucas Heart Thumper is here. We will train on it at the next EMS training. The representative from the company will be here after that.

Members were reminded once again to fuel the trucks when they get below $\frac{3}{4}$ of a tank.

The fuel tank cover is being worked on. The tin roof needs to be completed.

The building has been painted. The tin on the gable ends, the attic vents and insulation are yet to be completed.

NEW BUSINESS

The district elections are coming up. Remember to put names in if interested in a position. The interview committee will be Alvin Hendirckson, Katie Bahr, Jeff Kushner, and Jason Bahr.

Mason Kay reported that we are running short on radios due to number of members and having radios that need to be fixed. Mason will get information on availability and prices of new radios. Mason will also check on the mobile repeater and base repeater.

Bruce Gaul moved to adjourn the meeting, seconded by Jason Bahr. Passed at 1915.
